

The Evangelical Lutheran Parish Nurse Association (ELPNA) invites you to our:
2017 Fall Renewal: October 13 & 14

Job: Through Suffering to Healing

Luther Seminary Olson Campus Center: 1490 Fulham St., St. Paul, MN

As Parish Nurses, how do we help our clients deal with suffering? What can we say about God, the world and human beings in the face of inexplicable suffering? A biblical scholar and pastoral care practitioner will use the Book of Job to help us explore biblical, theological and pastoral responses to suffering, loss and grief. We will share our experiences with suffering and healing from our own practices of wholistic health. We will learn to:

- Distinguish between helpful and unhelpful responses to persons experiencing loss, grief and suffering.
- Lead others in theological reflection on the nature of God and humans as related to suffering.
- Develop a theologically and pastorally grounded approach to ministry with suffering individuals and groups.
- Discuss the role of Parish/Faith Community Nurses as it relates to physical, emotional and spiritual suffering.
