

We're Hiring!

Methodist Health System

Faith Community Nurse

We are looking for a full time Faith Community Nurse who is passionate about holistic health/wellness and community health to work with three South Dallas faith communities.

Requirements :

- Education: Bachelor of Science Degree in Nursing
- Licensed in Texas as a Registered Nurse; must hold unencumbered license
- Work experience: Five years or more in patient care or health education & using technology, computers, and online systems
- Excellent communication skills (written and verbal)
- Functions autonomously, equitably, and collegially within three assigned faith communities
- Highly motivated to develop working relationships with assigned and related ministries, disciplines, and organizations
- Good relationship with their faith community of choice
- Demonstrates spiritual and interpersonal maturity

Additional Information:

- This is a contract position, grant funded for three years.
- This position is in collaboration with The North Texas Conference of the United Methodist Church, partnering with three South Dallas - Metro District area churches
